

**ENHANCEMENT: Distribute and manage a system of permanent and/or portable livestock watering facilities such that livestock are never required to travel more than 800 feet for water in order to improve forage utilization and protect soil and plant resources.**

#### BENEFITS

(SHORT DESCRIPTION OF ENHANCEMENT BENEFITS)

- Watering facilities shall be no more than 800 feet apart; to promote proper grazing and manure distribution. This will protect primary forages as well as soil and other resources.

#### CRITERIA

**To be eligible for this enhancement payment, fields must meet the following criteria.**

- Watering facilities no greater than 800 feet apart.
- Heavy use areas must be installed around these facilities.

#### RECORDKEEPING

**In order to verify performance with these criteria, you must complete the following records.**

- Spot checks/field visits will be conducted to verify distances.
- Facilities shall be maintained for the life of the contract.
